

Regional Women in the Fire Service (WFS) Development & Networking Event

LEICESTERSHIRE
FIRE and RESCUE SERVICE

Derbyshire, Leicestershire, Nottinghamshire and Staffordshire Fire and Rescue Services are jointly hosting an inaugural Regional WFS Development & Networking event at **Joint Training Centre, Ripley, Derbyshire** on **Saturday 5th October 2019**.

This event is open to female staff members from all roles within the Fire & Rescue Service, including operational, support and control.

The event will involve:

- **Guest speaker** - Becci Bryant – Chief Fire Officer/Chief Executive, Staffordshire Fire & Rescue Service
- **Choice of workshops** – including fire investigation, virtual reality technology, incident command simulations (both operational and non-operational specific), and career progression
- **Networking opportunities**

A buffet lunch and refreshments will be provided. Delegates will not be required to wear uniform.

Places are limited to 12 delegates per Fire & Rescue Service.
